NEW MEMBERSHIP APPLICATION

Dear Friend,

P.A.D., a privately run charity, specialises in the rehabilitation and re-homing of abandoned cats and dogs. We receive no Government funding and rely entirely on voluntary donations made through membership, sponsorship and our fund raising events.

By becoming a member you will play a vital role in contributing funds to ensure the work of P.A.D. can continue. We are caring for and re-homing an ever increasing number of abandoned cats and dogs but we rely on the generosity of people like yourself. All our animals are cared for by qualified veterinarians and are vaccinated, micro-chipped and neutered before being re-homed. And we never put a healthy animal down - we care for them for as long as it takes to find them a new home.

Your contribution is so important to us and to the animals we care for and I do hope you will choose to become a member.

I look forward to hearing from you.
